PASTEL, EARTH & CONCRETE TONES

NEW COLLECTION — 2026

THE COLLECTION

Pastel. Earth. Concrete.

The Pastel, Earth & Concrete Tones Collection brings a new softness to concrete: eight muted tones from Bisque to Graphite, paired with clean, timeless forms for any bathroom.

Colour is mixed directly into the concrete, so every tone runs through the full body of the basin and stays true over time. Each piece is cast and finished by hand.

No two basins are identical. Each carries its own subtle patina, making every piece truly one of a kind.

Twenty years of craft, in every curve.

— CONSPIRE Design Studio

ORGANIC — Round vessel · Lifestyle setting

Beautiful. Built to last.

We’ve developed LMHP Concrete — Latex-Modified High Performance Concrete — a proprietary engineered formulation that redefines what handcrafted concrete can achieve, including significantly improved impact strength making each basin highly resistant to chipping and cracking from everyday use.

INTEGRATED PIGMENT

Colour is mixed directly into the concrete body — never surface-applied. Each basin’s unique patina is hand-finished by our master artisans, making every piece truly one of a kind.

IMPACT STRENGTH

LMHP formulation delivers superior resistance to chipping and cracking — even when objects are dropped directly into the basin.

12 MM RIM / LMHP

Advanced formulation allows a minimum 12 mm rim. Latex modification increases density and water resistance far beyond standard cast concrete.

SPECIFICATIONS

Material	LMHP Concrete — Latex-Modified High Performance
Rim	Minimum 12 mm
Colours	8 finishes
Lead time	3 months for a full container order
Origin	Handcrafted in Indonesia

EN 31 Waste Outlet

Every basin now comes with a standard EN 31 waste outlet, the European standard size for washbasin drains. The drain fittings you already use will still fit.

The EN 31 outlet also protects the basin against over-tightening, which could damage the coating around the drain and let water get underneath.

It works with standard fittings in all our markets, including the United States, the UAE and Australia.
